

BULKY HIGH SCHOOL

CLASS OF 1997

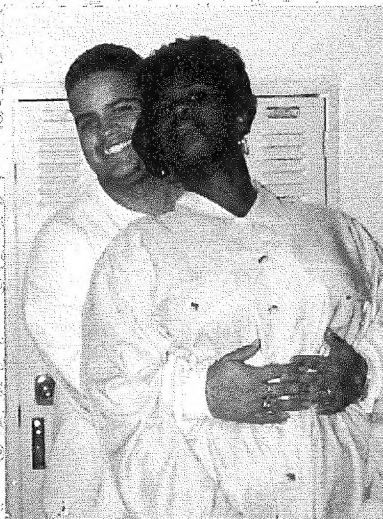

When we were younger we use to dream a lot, but nobody warned us the road just gets harder.

Most smiles are started by another smile.

*Oh how the years go by we fight, we laugh,
we cry as the years go by.*

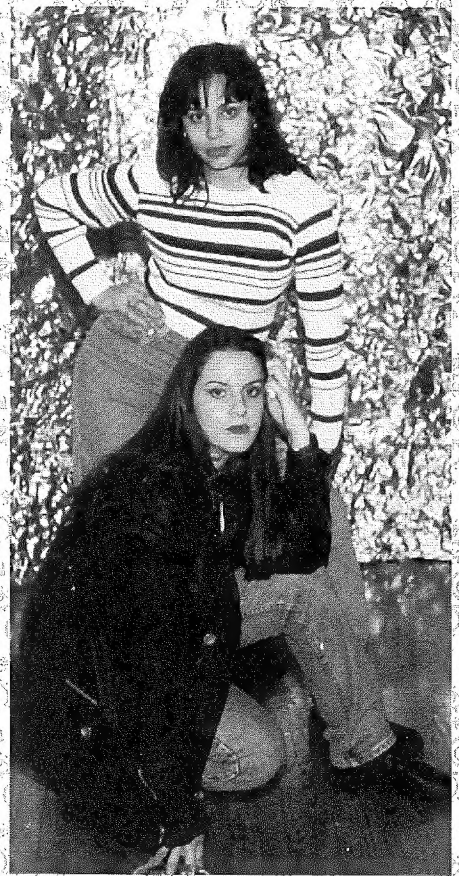

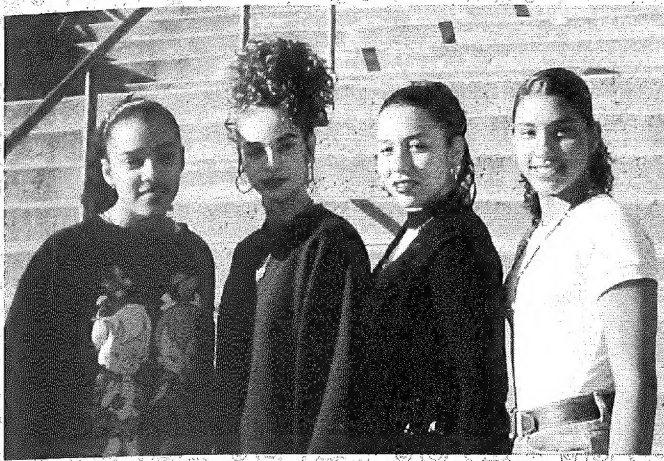

And here I sit life goes on, this I admit is so good — hard to believe there will be an end to it all.

Face the sunshine and the shadows will fall behind you.

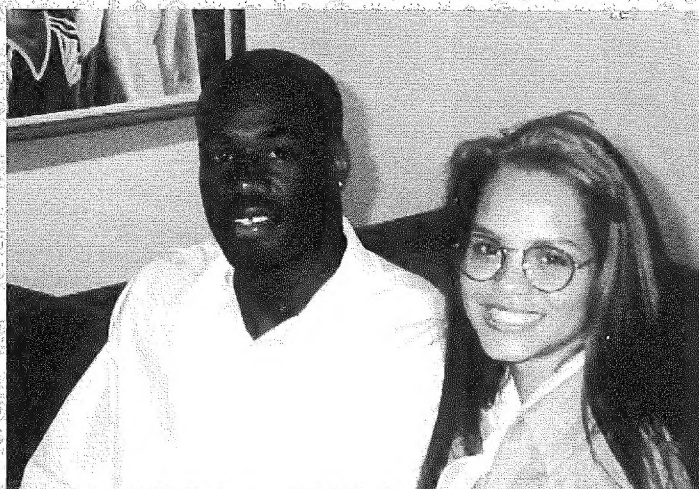

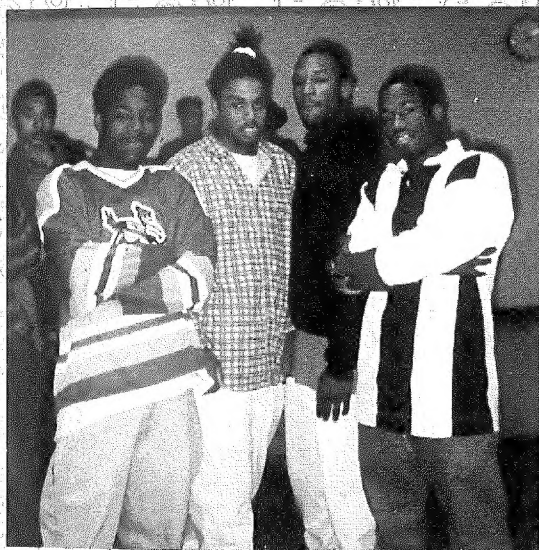

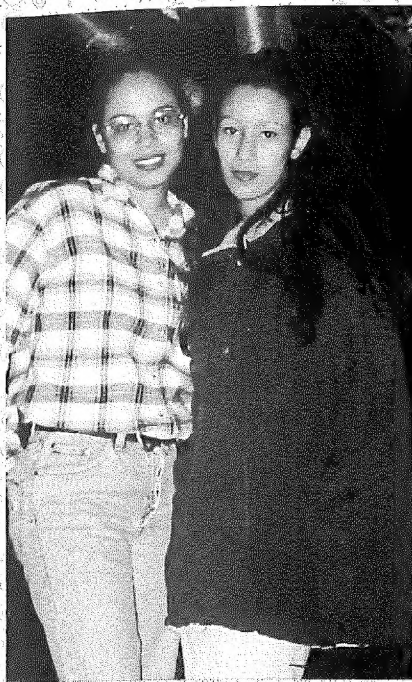

*Live everyday
as your last
and one day
you will be
right.*

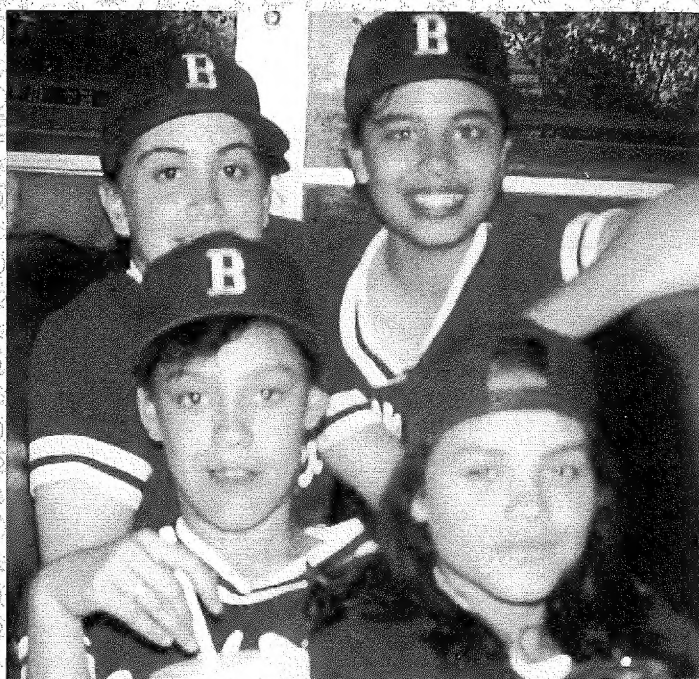

*Considering all the things
you wear, your expression
is most important*

*I'll be walking one
day — Down a
street far away —
And spot your face
in the crowd and
smile, remembering
how you made me
laugh I will
remember you.*

A black and white line drawing of an apple. The apple is heart-shaped with a bite taken out of the right side. Inside the apple, the word "STAFF" is written in a bold, serif font. The apple has a stem with a single leaf at the top. The entire illustration is framed by a thick, black, hand-drawn outline.

STAFF

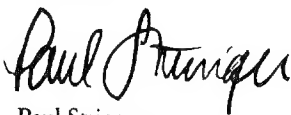

Dear Class of 1997:

Congratulations! Your tenure as high school students is complete. However your task is not yet finished. Some of you will be going on to college, while others enter technical schools, the military, full time employment or begin raising families. Thus your task is far from over, in some ways you'll be embarking upon new frontiers. Hopefully as you begin anew, the experiences and education that Bulkeley High School has prepared you for, will make your trek a little easier.

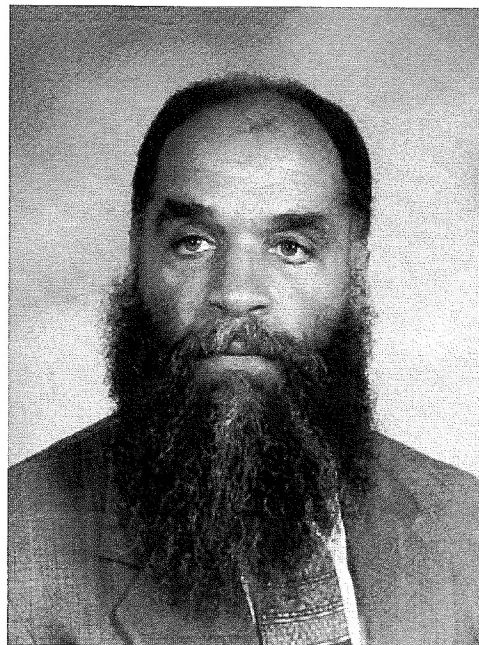

Go forth and prosper and in doing so make everyone proud to have been associated with you. Become a positive contributor to society in general and Bulkeley High School and the City of Hartford in particular.

Good luck to you in your future endeavors. As always I will be here if you ever need assistance. The future is yours - do something positive with it!

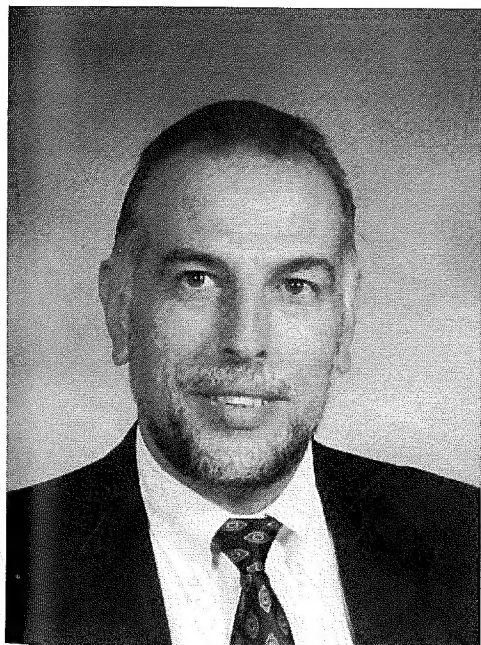

Sincerely,

Paul Stringer
Principal

Mr. Paul Stringer
Principal

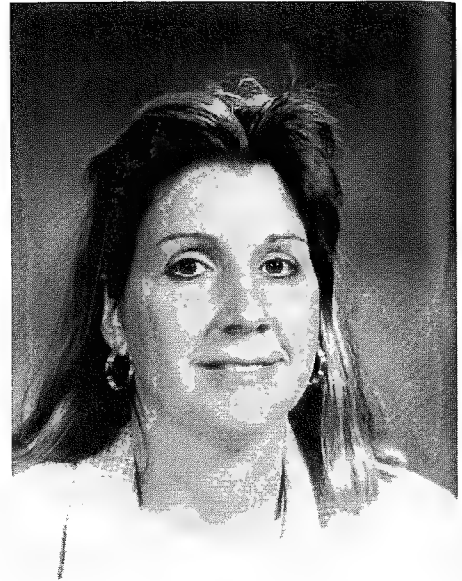

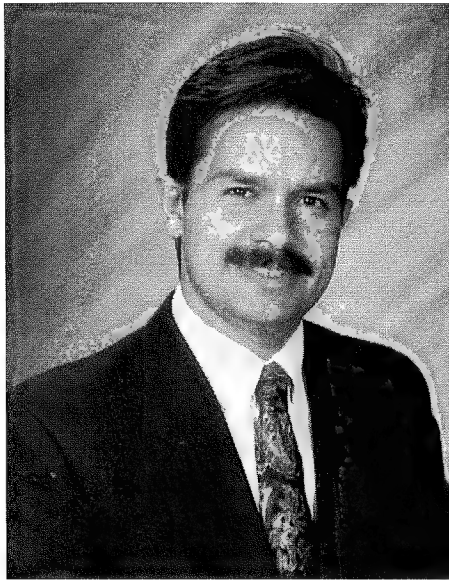

Mr. Rafael Lopez
Executive Vice Principal (Acting)

My congratulations to the graduating "Class of 1997". As you take another important step in your life, remember that your future is what you make it. Choose with care the paths that you will take, for you are now young adults and responsible for your decisions.

If you continue your education, may you graduate with honors. If you go out in to the business world, I wish you success in any career that you select. My hope is that you'll remember with fondness your years and friends at Bulkeley High School.

BULKELEY HIGH

School we hold so dear,
To our hearts so near;
We shall always keep Thy fair name clear.
We shall do or die,
Raise thy standard high,
And whatever we may do To Bulkeley we'll be true.

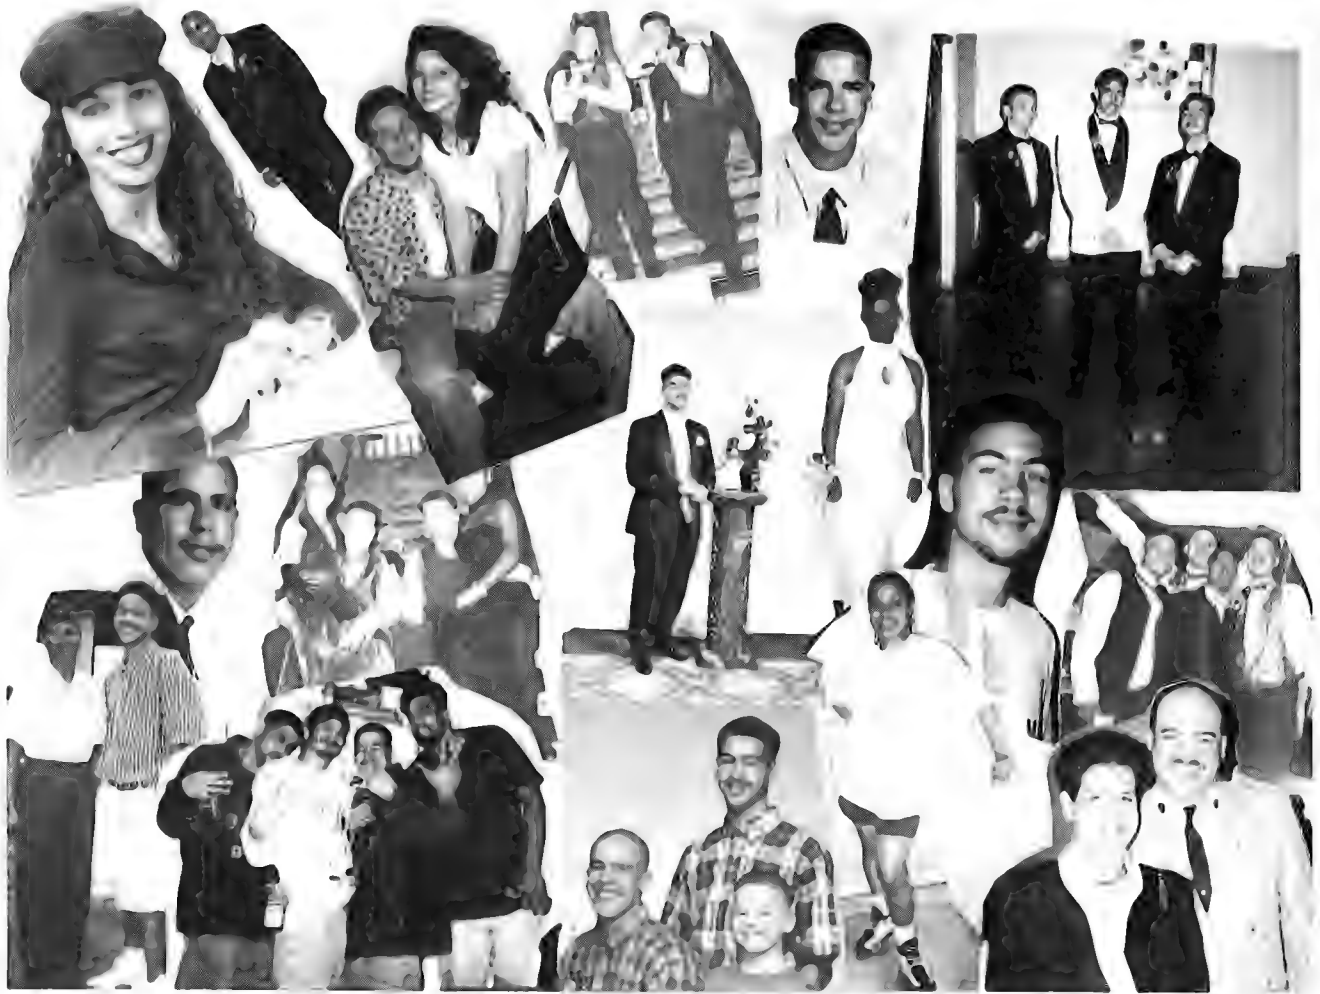

So let us sing to Bulkeley High,
Forever Bulkeley is our cry,
Tho' many long fights and grim battles there be,
We'll lead thee ever on to victory.
Let's have a cheer for our great school,
And we shall prove that we can rule;
Vow to the best to always stand the test For Bulkeley High.

Listen as we sing,
Pleasant voices ring;
We shall many honors To thee bring,
Ever shall we cry,
"Forward Bulkeley High"
Alma mater to thee always We'll bring victory.

So let us sing to Bulkeley High,
Forever Bulkeley is our cry,
Tho' many long fights and grim battles there be,
We'll lead thee ever on to victory.
Let's have a cheer for our great school,
And we shall prove that we can rule;
Vow to the best to always stand the test For Bulkeley High.

You Learn

*I recommend getting your heart trampled on to anyone.
I recommend walking around naked in your living room.
Swallow it down (what a jagged little pill)
It feels so good (swimming on your stomach)
Wait until the dust settles.*

*You live, you learn
You love, you learn
You cry, you learn
You lose, you learn
You bleed, you learn
You scream, you learn.*

*I recommend biting off more than you can chew to anyone, I certainly do.
I recommend sticking your foot in your mouth at anytime, feel free
Throw it down (the caution blocks you from the wind)
Hold it up (to the rays)
You wait and see when the smoke clears*

Chorus

*Wear it out (the way a three year world would do)
Melt it down (you're gonna have to eventually any way)
The fire trucks are coming up around the bend.*

Chorus

*You grieve, you learn
You choke, you learn
You laugh, you learn
You choose, you learn
You pray, you learn
You ask, you learn
You live, you learn*
